

Professional membership is available to individuals who are not affiliated with a senior care facility or related company but wish to be involved in the senior care field.

Professional Membership Benefits:

- On-line access to timely information on developments in long term care through Mass Senior Care's weekly electronic newsletter, *Mass Senior Care E-News Update*, and the *Members Only* password-protected section of www.maseniorcare.org.
- Discounts on attendance at Mass Senior Care-sponsored education programs offering continuing education credits for several categories of long term care staff.
- Opportunities to network with long term care professionals and vendors through our annual meeting, spring conference and other events.
