

February 15, 2018

As part of our ongoing efforts to support recruitment and retention of frontline staff for member providers across the Commonwealth, Massachusetts Senior Care Association and Massachusetts Senior Care Foundation jointly released a Request for Expression of Interest for a Workforce Development Consultant to identify effective recruitment and retention strategies within and outside of the long term care sector that could be adapted to boost staff recruitment and retention in Massachusetts.

Applications for this position are due no later than March 15, 2018. We are broadly disseminating the Expression of Interest; please contact [Carolyn Blanks](#) if you have any questions.
