

April 26, 2018

From May 13-19, 2018, National Skilled Nursing Care Week (NSNCW), formerly known as National Nursing Home Week, provides an opportunity to recognize the role of skilled nursing facilities in caring for America's seniors and individuals with disabilities.

The 2018 NSNCW theme announced by AHCA, "Celebrating Life's Stories", serves as a tribute to life's most significant events, relationships and experiences that shape the unique perspectives of residents, families, staff, and volunteers in long term and post-acute care. Facilities will be encouraged to collect individual narratives to cultivate a shared sense of purpose at the center and in the surrounding community.

Mass Senior Care will be highlighting events, activities and resident stories that are happening in our member facilities. Please share these with us by emailing Jennifer Chen at [jchen@maseniorcare.org](mailto:jchen@maseniorcare.org).
