

June 21, 2018

At the June 13th Board of Registration in Nursing (Board) meeting, the Board revised [Advisory Ruling \(AR\) 0801: Cardiopulmonary Resuscitation in Long-Term Care Facilities](#) to clarify and ensure compliance with current statutes, regulations and scope of practice standards. AR 0801 guides the decision making of Registered Nurses and Licensed Practical Nurses regarding cardiopulmonary resuscitation when a patient in a health care setting has been found unresponsive.

Mass Senior Care and provider members worked with the Department of Public Health, Bureau of Professional Licensure on the revisions to AR0801 and supports the changes. Please take a moment to review the entire [AR 0801: Nursing Practice and Cardiopulmonary Resuscitation](#).
