The National Partnership to Improve Dementia Care and Quality Assurance Performance Improvement is hosting a call on Tuesday, September 18 from 1:30 to 3 pm ET on Dementia Care: Opioid Use & Impact for Persons Living with Dementia. [Register for this Medicare Learning Network event](#). During this call, gain insight on opioid use in the post-acute and long-term care setting. Also, learn about the impact of opioid use on persons living with dementia. Additionally, CMS shares updates on the progress of the [National Partnership to Improve Dementia Care in Nursing Homes](#). A question and answer session will follow the presentations.
