Phase 2 of the federal Requirements of Participation (RoPs) for long-term care facilities became effective on November 28, 2017. In addition, the Centers for Medicare and Medicaid Services (CMS) implemented a new survey process for long-term care facilities on this date as well. In March 2018, Mass Senior Care began a quality initiative project to identify the most frequently cited deficiencies in Massachusetts long-term care facilities to obtain a better understanding of the reasons for these deficiencies as well as to identify trends.
