The Massachusetts Executive Office of Health and Human Services (EOHHS) has issued a Request for Information (RFI) for the Provision of Human Service Transportation (HST) on the Commonwealth's eProcurement website, COMMBUYS. The purpose of the RFI is to strengthen the current HST Brokerage System's coordinated approach to providing transportation to multiple health and human service agencies. Please note that as part of the RFI, EOHHS is exploring the possibility of expanding its HST Brokerage System to include non-emergency transportation services currently provided through MassHealth Fee for Service (FFS) transportation program. EOHHS is soliciting input from consumers, advocates, current FFS transportation providers, Brokers, and facilities that utilize Medicaid FFS transportation services for non-emergencies to better inform whether and how EOHHS should implement such a unified process. The deadline for receipt of written RFI responses is May 31, 2019 by 4:00 p.m. (Eastern Time). Responses should be submitted by email to: [Lisa.d.wong@state.ma.us](mailto:Lisa.d.wong@state.ma.us)
