

April 18, 2019

Mass Senior Care invites staff at member facilities to participate in various committees designed to share information on the topics of clinical quality, regulatory, human resources and finance and reimbursement. This information and feedback will assist MSCA staff with developing policy positions and prioritizing strategic initiatives. Committee meetings are held in Mass Senior Care's office in Waltham. Facility members are invited to participate. If you are interested in attending one of the upcoming committee meetings, please contact [Jennifer Chen](#).
