National Partnership to Improve Dementia Care and Quality Assurance Performance Improvement will host a Dementia Care: Supporting Comfort and Resident Preferences call on Tuesday, September 10 from 1:30 to 3 pm ET. During this call, gain insight on approaches to care for residents living with dementia that focus on resident preferences, maintaining comfort, and assisting with unmet needs. Additionally, CMS provides updates on the progress of the [National Partnership to Improve Dementia Care in Nursing Homes](#). A question and answer session follows the presentations.
