

AHCA/NCAL Announces 2017 Bronze National Quality Award Recipients

Fifteen Mass Senior Care member facilities are being recognized with a 2017 **Bronze - Commitment to Quality Award** by the American Health Care Association and National Center for Assisted Living (AHCA/NCAL). The award is the first of three distinctions possible through the [AHCA/NCAL National Quality Award Program](#), which honors long term and post-acute care providers that have demonstrated their commitment to improving the quality of care for seniors and persons with disabilities.

“We thank the caregivers and staff for enriching the lives of those in the long term and post-acute care communities we serve,” said Tara Gregorio, President of the Massachusetts Senior Care Association. “We applaud these facilities for their achievement and continued commitment to quality resident care.”
