Join us on Thursday, November 12th for our Annual Meeting & Trade Show at the DCU Center. This year’s conference will feature an exclusive address by Governor Charlie Baker, a morning program including the Chairman’s report and election of officers, a trade show and buffet lunch with over 100 vendors, and an afternoon education program.

During this conference, Association leadership will preview initiatives and campaigns designed to promote the value of long term care services in Massachusetts.

The afternoon session will feature the unveiling of our comprehensive “quality jobs” proposal. State legislative leaders and expert speakers on labor and workforce challenges in long term care will be joining us for this critical program.

Don’t miss this opportunity to learn directly from thought leaders, network with your colleagues and view the latest services and technologies relevant to the provider community.
