Mass Senior Care Foundation Launches 2017 Fundraising Campaign

On Thursday, September 28th, the Mass Senior Care Foundation will honor its long time President, Marva Serotkin. The event will be held at Elm Bank Reservation in Wellesley from 6-9 pm and we invite all members to join us as we honor Marva and raise funds for our flagship scholarship program.

During her 10 years as President of the Massachusetts Senior Care Foundation and her previous tenure as Chair of the Mass Senior Care Association, Marva has championed the annual scholarship program for long term care employees and the expansion of the Foundation's work to improve care transitions and reduce the inappropriate use of antipsychotic medications in nursing facilities. Marva's legacy of commitment, leadership and advocacy will continue to strengthen the Foundation for years to come.

Marva is the President & Chief Executive officer of The Boston Home, a residence and center for care for adults with advanced, progressive neurological diseases. After 20 years at The Boston Home, Marva plans to retire at the end of the year.
