In **Massachusetts**, within one year over **one in four** community-dwelling older adults will **fall** and of those who fall, over one in three will be injured. However, through some very simple lifestyle changes most **falls are preventable**. Learn how at this event.

For more information about the event, please contact Liz Harnois, Brain Injury Association of MA @ lharnois@biama.org or 508 475-0032, X14
